Benjamin Rose is a nonsectarian, not-for-profit, culturally sensitive agency.

Founded in 1908 as a nonsectarian organization through the generosity and vision of Cleveland industrialist Benjamin Rose, we are one of the largest not-for-profit agencies in Northeast Ohio. Today, Benjamin Rose touches the lives of more than 2,500 people annually. Supported by an endowment fund, grants, fees for services, and philanthropic gifts from caring people, Benjamin Rose assists older people and their families in the Greater Cleveland area through Benjamin Rose Community/In-Home Services, Margaret Blenkner Research Institute and Residential Services.

**GROWTH &
CHANGE...**

WE NEED YOUR HELP.

For 98 years, Benjamin Rose has been helping families “be there” for their loved ones. With your help, we want to be here for 98 more. Please consider a gift to Benjamin Rose.

Did you know?

- Benjamin Rose annually pays for a significant portion of the services provided to 1,800 people who receive care through our Community/In-Home Services. Government payors will not reimburse these costs. Most of these individuals are alone and without resources. No one is turned away because of their inability to pay. Support from contributors like you helps us serve as many as possible.
- In 2002, Benjamin Rose provided \$1.47 million in charity care to individuals who had no financial resources, but needed care.

We are grateful for the generous donations that have allowed us to serve so many people over the last 98 years. Please send your gift today that will help us to continue to be there for those who need us the most.
